

UNLEASH YOUR POTENTIAL WITH
CARL SANDBURG COLLEGE

CARL
SANDBURG
COLLEGE™

Workforce Development & Community Education

WORKFORCE DEVELOPMENT

WHO WE ARE?

Workforce Development serves the **business and industrial community** throughout the Sandburg district by providing credit classes, non-credit classes, seminars, workshops, on-site training programs, and customized training. Workforce staff will assist businesses in analyzing their needs and will work to arrange appropriate college services.

WHAT WE DO?

We provide tailored training solutions to match your unique business needs. Our offerings include **Employability** Skills Training, **Etiquette** Training, **Computer** Skills Training, and specialized **DiSC** Assessment and Training.

Looking to upskill at your own pace? Explore our **online self-paced training programs!** Many of these programs offer **vocational skills credits** and **continuing education credits** from Carl Sandburg College.

Join the countless businesses benefiting from our innovative and flexible training programs. Let's work together to enhance the skills, capabilities, and productivity of your workforce!

CUSTOMIZED CORPORATE TRAINING

Let us tailor our courses to meet your unique business needs, available both **in-person and virtually**.

Boost your team's **digital literacy**, enhancing their productivity and adaptability in the digital age.

Understand your team's work style better with our **DiSC assessments**, and learn how to foster better collaboration and cohesion within your team.

APPRENTICESHIP DEVELOPMENT

We offer comprehensive support for developing robust **apprenticeship** programs, enhancing the skills and productivity of your workforce.

EMPLOYABILITY SKILLS TRAINING

Equip your team with crucial **employability skills**, preparing them to excel in any business environment.

Refine your employees' **interpersonal skills**, enabling them to represent your company professionally.
